Enchanted Garden
GALA

May 31, 2025

**SPONSORSHIP
PACKAGE**

OUR FOCUS

State-of-the-art Fluoroscopy Machine

A fluoroscopy machine is crucial in modern healthcare because it provides real-time X-ray imaging, allowing physicians to observe dynamic internal processes as they happen. This technology is key for guiding complex procedures, such as catheter placements, joint injections, and special gastric imaging procedures, with precision. It enables quicker, more accurate diagnoses and treatments, reducing risks for patients and improving outcomes. Having a fluoroscopy machine in a medical facility ensures that doctors can monitor movements, blood flow, and other vital processes, enhancing both diagnostic capabilities and the overall quality of care

Total Investment: \$800,000

\$100,000
EVENT GOAL

**HERE IS HOW YOU CAN
HELP MAKE AN IMPACT**

We understand that every contribution counts, and we welcome the opportunity for donations to be grouped together to meet the sponsorship level of your choice. Whether you're an individual donor or part of a collective effort, your combined support helps us reach our goals and make a greater impact

Your contribution, no matter the amount, makes a significant impact to our community. We welcome and deeply value cash donations of any size.

AUCTION DONATIONS

Silent Auction

We invite donations of silent auction items, and we're happy to accommodate single or grouped contributions. Whether you're donating an individual item or teaming up with others to provide a more substantial package, your generosity plays a crucial role in supporting our event and its success.

Please note that some silent auction items may be grouped together. Your business will be recognized individually for your contribution. Grouping may include packages such as:

- Interior Decorating package
- Backyard Barbeque package
- Family Fun Night Package
- Home Maintenance package
- Date night package

Live Auction

We're seeking extraordinary items and experiences for our live auction. This portion of the evening is the highlight of the Gala that generates excitement and vital support for our cause.

Do you have a unique product, service, or experience to contribute? We welcome donations such as:

- Exclusive trips or vacation packages
- Premium goods or collectibles
- VIP tickets or behind-the-scenes experiences
- Personalized services or one-of-a-kind opportunities

Your generous donation will not only enhance the event but also showcase your support to an engaged audience.

A Note from Our Board Chair

At Hanover and District Hospital, our Foundation is dedicated to helping enhance the quality of care by investing in advanced medical equipment and technology. Each year, we strive to equip our hospital with the necessary tools to provide exceptional healthcare to our community, and we could not do this without the generous support of our community members and local business partners.

We are currently focused on raising funds for a new state-of-the-art Fluoroscopy Machine for our Diagnostic Imaging department. This vital piece of equipment will significantly improve our ability to diagnose and treat patients with precision and efficiency.

Your support is crucial in making this project a reality. Every contribution, no matter the size, makes a difference and helps us to continue providing top-notch medical care. Together, we can ensure that our community has access to the best healthcare possible.

Thank you for your generosity and for standing with us in this important initiative.

Mark Rogan,
HDHF Board Chair
