A place for reflection and meditation where memories and tributes can be cherished and shared.

Karen Roseborough
1942-2009

The Garden of Fond Memories, located to the left of the main entrance to the Hanover and District Hospital, is a place to be enjoyed by patients, visitors, staff and the entire community. Built in 2010 following the generous donation by Bill Roseborough which honoured his late wife Karen, the garden was created as a place to memorialize a loved one, pay tribute to a friend and acknowledge hospital staff for their compassionate care. As the years have passed, the Garden of Fond Memories has continued to grow as tributes have been made by community members through the dedication of river stones, benches, trees, and many

As a community member, we invite you to visit the garden and take a walk through the beautiful surroundings. We welcome you acknowledge a nurse or doctor or pay tribute to a loved one through the purchase of a site element.

“I hope that when people are visiting at the hospital as patients or visitors, they can find some peace in this garden”

-Bill Roseborough

When memorializing a loved one, you can ask that in lieu of flowers, donations be made to the Garden of Fond Memories.

For more information, please contact the Foundation office.
